“From the isolation of our addiction, we find a fellowship of people with a common bond of recovery. NA is like a lifeboat in a sea of isolation, hopelessness and destructive chaos. Our faith, strength and hope come from people sharing their recovery...”
Basic Text p 94-95

What is our message?
The message is that an addict, any addict, can stop using drugs, lose the desire to use, and find a new way to live.
Our message is hope and the promise of freedom.
